

KinderConnect – Merge Attendance

If a **Child** starts receiving services while eligibility is being determined, it is necessary to create a Non-Subsidized (Private Pay) Schedule in order to track **Attendance**. Once authorized, the child has two schedules, one for subsidized and another for non-subsidized care.

A On the main KinderConnect menu, press **Merge** under Provider to view all **New Authorizations**.

B Click **Select** next to the child you would like to merge to generate a list of all **Potential Matches**.

<input checked="" type="radio"/>	Brad	Peterson	1	6/9/2011	Jackson, Robert
<input type="radio"/>	Marty	Peterson	12	1/1/2011	Bailey, Helen
