

## KinderSign – How to Create a Parent/Sponsor PIN and Secret Question/Answer

If you are logging into KinderSign for the first time, you need to create some security settings to verify your identity.

- A** Use the keypad to enter your 10-digit telephone number. Tap **Confirm**.

- B** If the tablet does not recognize the telephone number entered, you will receive a message informing you that it was not found and asking if you would like to register that number as a Parent/Sponsor?

**Phone number not found!**  
The phone number you entered (854) 325-6933 was not found, do you wish to register this number as a sponsor?

Yes      No

- C** Tap **Yes** to refresh the device automatically with the latest information or **No** to re-enter the telephone number.

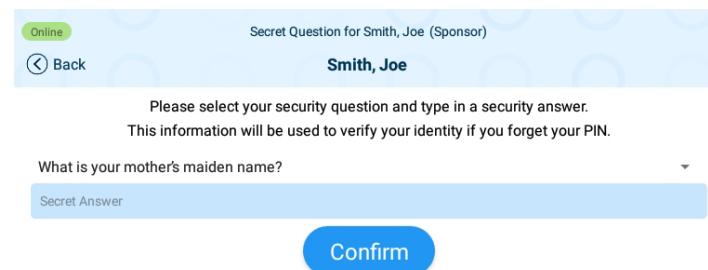

- D** Once updated, you will receive a message indicating that your security settings are incomplete. Tap **Next**.

**Your account security settings are incomplete.**

Click the **Next** button to set up your PIN and Secret Question/Answer

**Back**      **Next**

- E** Select the secret question and the secret answer to be used when verifying your identity in case you forget your 4-digit **PIN**.

- F** Tap on the drop-down arrow to select the **Secret Question** you would like to use. Tap on the blue **Secret Answer** ribbon to activate the field and enter the secret answer. Tap **Confirm**.

- G** KinderSign returns to the keypad to create your **PIN**. Enter your 4-digit **PIN** and tab **Confirm**. Re-enter the 4-digit **PIN** and tab **Confirm** again.

- H** KinderSign returns to the telephone keypad and is ready for you to login using your telephone number and new **PIN**.
