Print KinderSmart Registration Form

- D** Press **Print** to automatically download and print a document containing the QR code or make it available to the **Parent/Sponsor** on the computer screen.

- E** The **Parent/Sponsor** needs to open the KinderSmart app on the phone, tap **Scan** and either scan the QR code from the computer screen or scan it from a printout of the QR code. To scan, move the QR code into the view of the phone camera so that it can be clearly seen on the phone screen. As soon as the whole QR code is visible to the phone camera, the phone automatically scans the QR code.

- F** After a correct scan, the app will be registered to the **Parent/Sponsor** who receives confirmation that the phone was successfully registered.
